

ZENITH

2022

Zenith is a wine with a strong identity from the South-West of France. The merlot, Cabernet Franc and Sémillon blanc meet the Tannat of Madiran, and create a dense, sunny cuvee. Its strong concentration in riped dark fruits, and its smoky finish notes are making Zenith the ideal partner for your long summer evening.

TASTING NOTES

At the nose you find dark riped fruits : blackberries, prune, and smoky notes. At the palate, you have an explosion of fruits that comes right away, takes all the place with some spiced notes, and ends on big but smooth tanins.
